

Finite-fault projections before and after environmental correction

(a) CSR

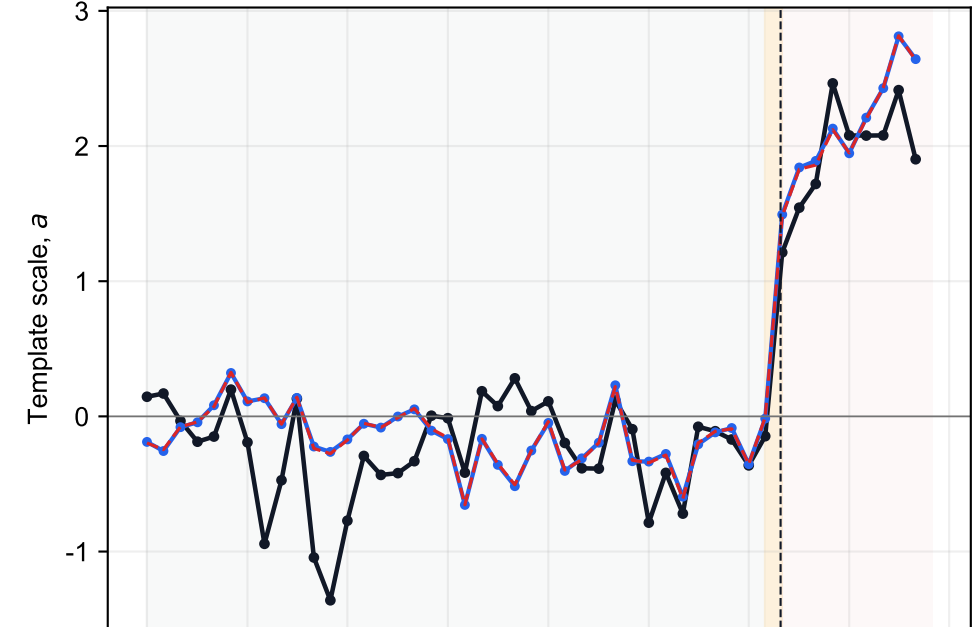

Finite-fault projections before and after environmental correction

(b) GFZ

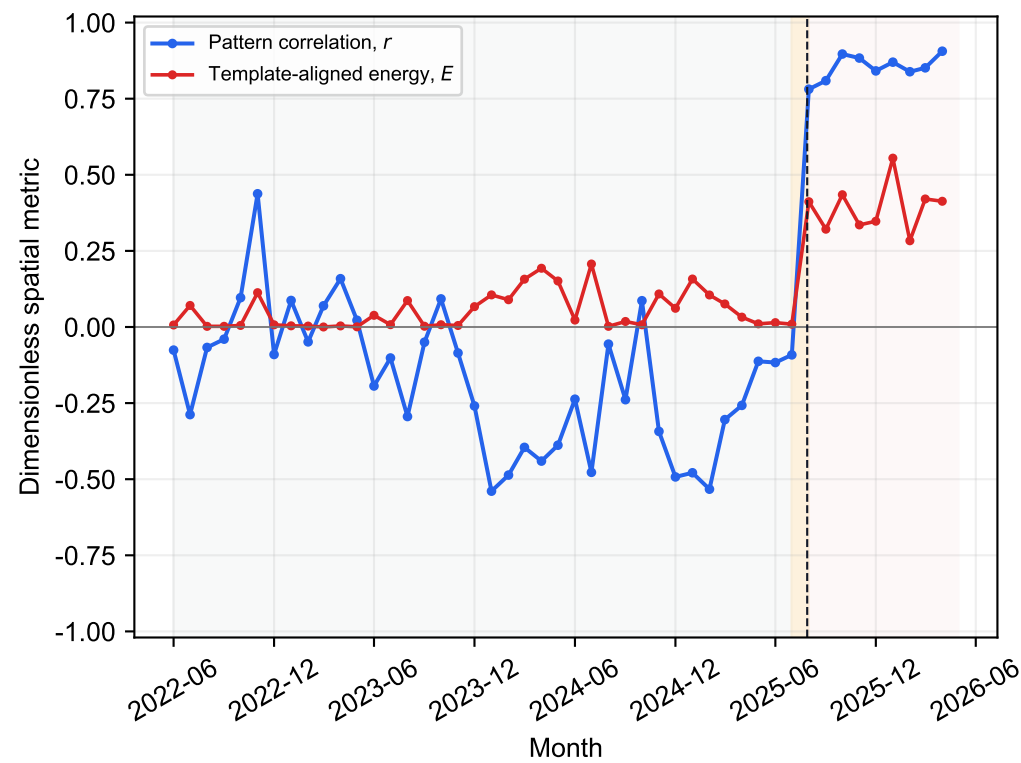

Finite-fault projections before and after environmental correction

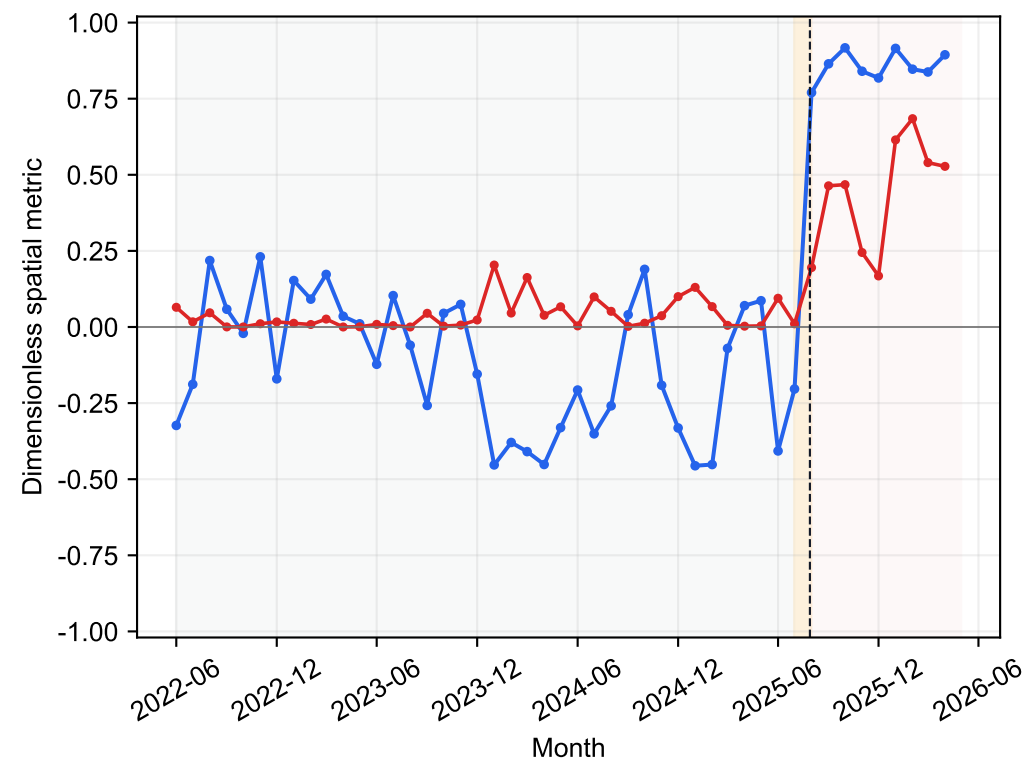

(c) JPL

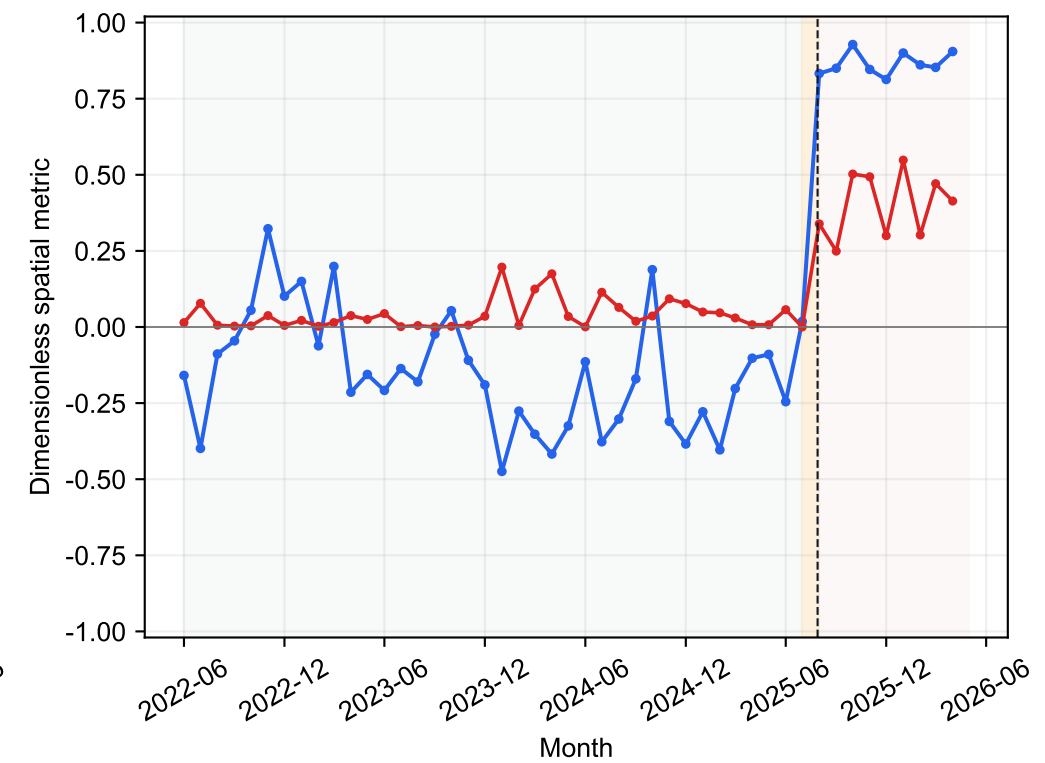

(d) Corrected-field agreement with finite-fault template

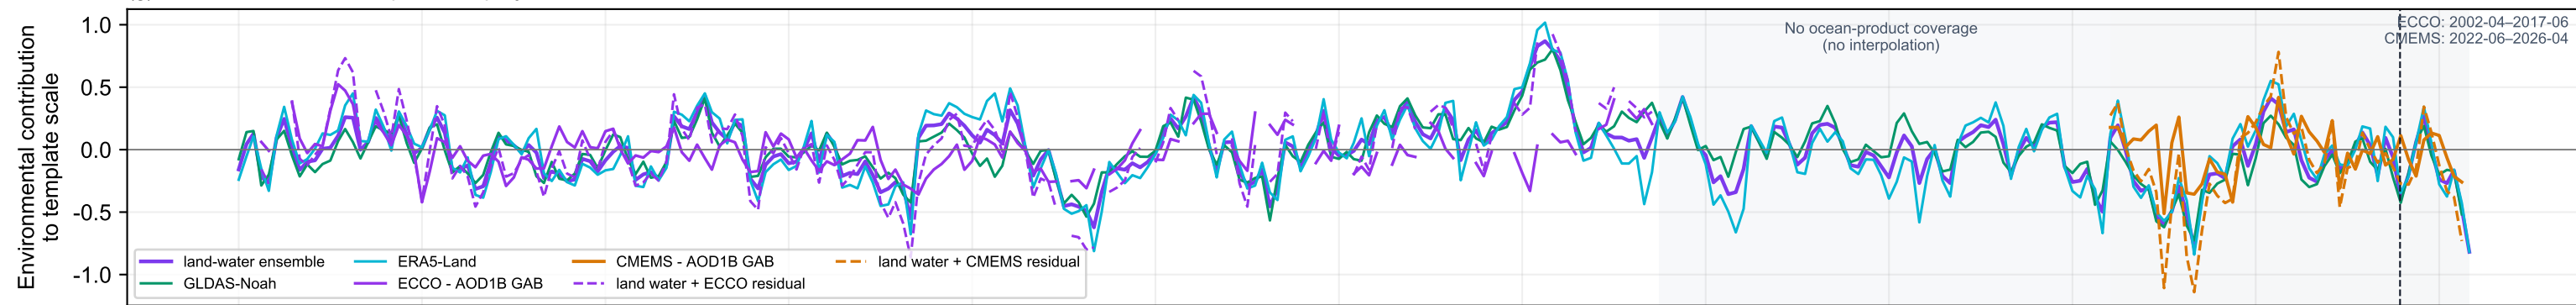

(e) Corrected-field agreement with finite-fault template

(f) Corrected-field agreement with finite-fault template

(g) Land-water and ocean-pressure projections

(h) Seasonal background estimated from pre-event data
